

## **REMARKS**

Upon entry of this Amendment, claims 1-11 and 16-28 are pending in this Application. The Examiner's indication that claims 1-11 and 21-28 are allowed, and that claims 13-17 contain allowable subject matter is gratefully acknowledged. Claims 12-15 are canceled by this Amendment. Claims 18-20 have been amended to correct the dependency of those claims.

### **103 Rejections**

The Examiner rejects claims 12, 18, and 19 under 35 U.S.C. 103(a) as being unpatentable over Kline (US 5,503,435) in view of Pitts (US 4,629,349). The Applicants have canceled claim 12 and have rewritten claim 16 in independent form, removing the previously-added limitation that a "substantial portion of the second cover being opaque." The Examiner indicated that claim 16 would be allowable if rewritten in independent form. For this reason, amended claim 16 is allowable. Claims 17-20 depend from claim 16, and are allowable for the reasons set forth above and for additional reasons that may or may not be discussed herein.

The Examiner also rejects claim 20 as being unpatentable under 35 U.S.C. 103(a) over Kline in view of Pitts and further in view of Fournier. Claim 20 has been amended to depend from claim 16 and is therefore allowable for the reasons discussed above with respect to claim 16, as well as for other reasons that may or may not be discussed herein.

In view of the foregoing, entry of the Amendment and allowance of claims 16-20, in addition to the previous allowance of claims 1-11 and 21-28, are respectfully requested.

The undersigned attorney is available for telephone conference at any time.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Richard L. Kaiser". The signature is written in a cursive, flowing style.
